Thank you, [redacted] That sounds encouraging, I think. My intention is to take your collective redactions/changes/suggestions and either accept them, or figure out a way to make them mutually acceptable. We'll see, but I do not anticipate insurmountable challenges.

Thanks,

Glenn

Glenn, we will send manuscript to you with our comments next week. At this time, we do not feel a meeting is necessary.

I'd very much like to get going on incorporating the changes you want. I expect they will not be too difficult for me to adjust. However they are, though, I want to set to revising the manuscript, so that we can finish this process soonest. This is now taking too long.

Are you sending it to me? Or, do you want to meet first?

Thanks,

Glenn Carle
